

Since the Civitan International Research Center was conceived, members and clubs have loyally supported Civitan International's flagship project to improve the lives of people with developmental disabilities.

Civitan International recognizes these dedicated supporters of our flagship project with the Civitans At The Helm program.

CIVITANS AT THE HELM

Civitan's At The Helm recognizes clubs and districts at four levels, based on their average contributions per member per year.

Any club can participate as a Helmsman. This first level only requires an average \$10 per member annual contribution. This important level of recognition is the foundation of support for the Civitan International Research Center.

Clubs that wish to do more can reach for the Navigator and Captain designations. These levels of recognitions are bestowed upon clubs and districts that average \$25 and \$50 per member per year respectively.

The true leaders are among the Admiral designation. By contributing an average of \$100 per member annually, these clubs and districts are recognized as Admirals. Those who contribute at this high level are the leaders who help ensure the success of our flagship mission.

Captain	\$50 per member
Admiral	\$100 per member

AWARDS

Banner patches that reflect the Flagship theme are presented to all clubs and districts that qualify. In addition, any club that contributes a cumulative total of \$1,000, regardless of per member average, is named a Research Center Associate and listed on the donor recognition display in the Research Center lobby. Clubs that reach a \$10,000 total are honored as Research Center Patrons. Adjustments in giving levels are made for non-United States members.

QUALIFYING CONTRIBUTIONS

Breakthru Golf Benefit

Clubs and individuals who sponsor a golfer in the annual Breakthru Golf Benefit can have their contributions counted in their clubs' totals for that year. All they have to do is indicate the club name on the form accompanying their check, or make a note on the check itself.

Coin Boxes

All of the proceeds sent from a club's coin box collections are automatically added to their Civitan's At The Helm totals.

Personal Gifts

Individual contributions to the Civitan International Research Center also are credited to a member's club if requested at the time of the gift.

What Doesn't Count

Candy Box collections and contributions to Fellows, Sno-Do, Dance-A-Thon, and President's Council do not count toward Civitan's At The Helm totals.

How To Help

United States donations should be made payable to the Civitan International to qualify for tax deductions. Members outside of the United States and Canada should contact local authorities to determine tax deduction opportunities.
